HV-Series

All-In-One Furniture Solution for Spaces that Require Flexibility

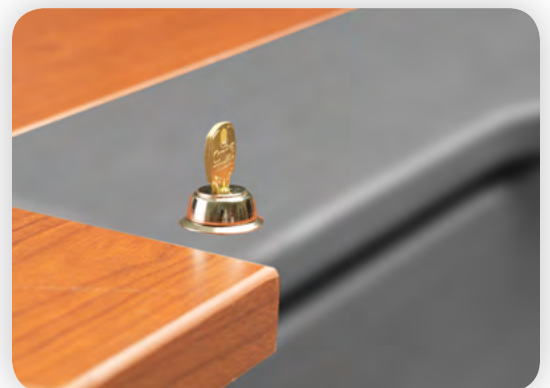

Incorporate the R-Style™ HV-Series workstation into classroom, training, and meeting environments to ensure an unobstructed line-of-sight when monitor is stowed.

With a light push on the top panel, Hover™ vertical, gas-assisted monitor lift, travels above the workstation.

Streamlined design incorporates durable 1 1/8" laminate, and powder-coated steel base.

Conveniently store keyboard and mouse; lower monitor for clear line-of-sight.

Locking option available as an accessory.
Multiple units may be keyed alike or differently.

Training Tables Delta

Delta

Bring technology to your table

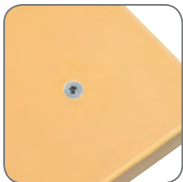

- Features integrated storage and wire management which allows for cords and clamps.
